

REQUEST FOR PROPOSAL

Konserve Advisory Services Ltd (Konserve) is a firm promoting and implementing clean and efficient energy solutions intended to promote human productivity as a means of enhancing livelihoods.

In the course of its work, Konserve seeks to subcontract a technically competent firm to **design and implement a campaign on productive use of electricity (PUE)** in 15 load centres in western, central and south western Uganda with the aim of increasing the prevalence of PUE businesses, and providing associated handholding to increase access to PUE financing in territories of these service providers. The firm will undertake the following activities in the 15 load centres within Uganda:

- i. Conduct an inception meeting with 3 service providers in the load center territories.
- ii. Develop a survey instrument and conduct a survey of existing productive uses of electricity at each load center.
- iii. Develop training materials and conduct business/PUE trainings at each load center.
- iv. Deliver a training report for each load center.
- v. Develop success stories of local businesses
- vi. Conduct a 2-day handholding/business mentoring trainings at each load center
- vii. Deliver final activity report.

Konserve invites interested consultancy firms to submit requests for the detailed TORs, via email, or to download these from our website www.konserve.co.ug. The interested firms will be expected to submit a financial proposal and demonstration of technical capabilities to perform the said work. The demonstration of technical capabilities will include the following;

- a) Corporate capability statement
- b) Description of 3 projects conducted in the last 3 years in East Africa, preferably Uganda, that demonstrate an ability to perform the task mentioned above
- c) CVs of the personnel who will conduct the project.

Interested firms will submit technical and financial proposals before the deadline of 4.00pm on Friday, 15th November 2019. These will be submitted in soft copy (via email) and 4 hard copies of each proposal to the Konserve office at the address below. Late submissions will not be considered.

All email submissions should be made to konserve@konserve.co.ug and copied to info@pauesa.org and should be referenced as "Proposal for PUE campaign strategy".
